

Welcome

Welcome to Applied Psychology! Hope you are looking forward to joining us in September. You will study the following over the two years:

- 1) Unit 1 (Psychological approaches)- First year
- 2) Unit 2 (Research methods)- Second year
- 3) Unit 3 (Health Psychology)- Second year
- 4) Unit 6 (Psychopathology)- First year

We look forward to meeting you!

Equipment List

- 1) Pen, pencil, ruler, paper
- 2) Folder
- 3) Laptop- Not essential for coursework sessions as we provide laptops but you are more than welcome to bring it in for those sessions (one session a week).

Trips and visits

University of Huddersfield/Edge Hill University- Psychology subject taster days

Mental Health Museum/Archives

Other information

Enrichment:

- 1) Social Science seminar group- Students will be given an original piece of research from one of the social science subjects. They will read beforehand and then be ready to discuss in a university seminar style session (student led).
- 2) Social Science research conference group- Students will be given a problem currently in the world and will need to research solutions to this problem using the social science subject they take. They will then present this in a research conference as either a conference paper, speech or PowerPoint presentation. Students will have sessions prior to this on researching and referencing etc.
