

## Welcome to the Health and Social Care Pre-Induction Task

This task is to promote your curiosity into current topics linked to Health and Social Care. We want you to demonstrate your skills and knowledge in a short task which will give you an idea of what you will complete over the next two years.

You need to. Watch:

<https://www.bbc.co.uk/news/videos/cw449k17j98o>

And then Read: <https://news.sky.com/story/infected-blood-scandal-victims-could-receive-more-than-compensation-13141045>

[2m-](#)

4. What was the reason given for the delay in the official inquiry into contaminated blood and explain what this is?

5. How do you think this will make users of NHS feel and how may this impact on future care for service users?

*We would like you to either record your answers by hand or to type in a word document. Consider your use of spelling, punctuation and grammar.*
